SEASONAL WINE LIST

Tate has been renowned for its wine cellar since the opening of the restaurant at Tate Britain in 1972. Our wine list runs to over three-hundred wines and has won numerous awards for its diversity and value. This selection is a snapshot, and we like nothing more than to tailor, from the wider cellars, wine to your menu or theme. Wine is increasingly appreciated and I know from experience that what is served keenly interests your guests. I believe that a well-chosen, interesting bottle is a key feature in making your event, stand out from all the rest.

I or any of the team is happy to give advice, supply samples and an extended wine list is available upon request.
